

## **Project Engineer with H&S and CDM focus**

You will be joining J P Hildreth Ltd, a growing engineering consultancy, specialising in manufacturing technologies.

**Location:** Hybrid working home / office & client site (mainly Berkshire but willingness to travel is essential).

**Salary: £35 to £45k**

### **Overview**

This is an opportunity to share your commitment to engineering excellence and site safety. You will be a key member of the team of manufacturing engineers working within our engineering consultancy on varied and interesting engineering projects. In addition to owning your own project work, you will develop to support our engineering consultancy as an internal consultant on health, safety & CDM topics

### **Required:**

- Minimum 3 years as a project engineer in a manufacturing environment
- Engineering qualification: HND or good relevant Apprenticeship or Degree
- Mechanical (Essential) & Electrical (Desirable) qualifications preferred
- Knowledge of Health & Safety requirements in manufacturing environments
- Excellent communication and people skills

### **Desirable**

- NEBOSH General certification (Desirable), other safety qualification would be considered.
- Knowledge and experience implementing CDM 2015
- Interest in infrastructure projects with a focus on CDM and H&S
- Experience in working with 3<sup>rd</sup> party contractors ensuring compliance
- Ability to assess mechanical & electrical competence in others
- Experience of technical skills training

### **About J P Hildreth Ltd**

We are one of the UK's leading manufacturing consultancies and employ 40 engineers, technologists, and validation specialists. We work for major companies like Mars & GSK. We help define capital investment projects, deliver them and track benefits with certainty. Our engineers install and validate advanced manufacturing technology from around the world.

We are a positive, look-ahead, company. People like to work for us. We invest in training and development. We react swiftly to opportunities, make the most of good ideas, and play to people's strengths. [www.jphildreth.com](http://www.jphildreth.com)

J P Hildreth has been established as an Employee Ownership Trust (EOT). This means that the business is owned by an independent trust which is tasked to act in the best interest of the employees.

J P Hildreth Ltd, registered address: 114 Chartridge Lane, Chesham, Buckinghamshire HP5 2RG. Registered in England and Wales, company number 5813349, VAT number 885 2360 04. Offices also at Chiltern House, Unit 7, Waterside, Chesham, HP5 1PS.

There are many incredible benefits of this type of structure for both our employees and our customers. A few of the most significant employee benefits are listed below (subject to contract conditions):

- The long-term future and independence of JPH is secure.
- The structure demands an active employee representation and involvement through to the operating board.
- All employees are beneficiaries of the trust and business profits are re-invested and/or shared equitably among the employees (part of profit share payments are made free from income tax).

Ultimately, all of us employed here at JP Hildreth have an equitable stake in the future and success of the business. If this sounds like something you would love to be a part of then we would like to hear from you!

(You can find out more about the EOT philosophy and its practical impacts by following the link: <https://employeeownership.co.uk/>)
